

Grandparents Luncheon September 21st, 2018

By: Jaxon Wayland

On September 21, 2018 the PTO teamed up with the Student Leadership Club to make a great grandparents' lunch. "The cafeteria was crowded." Marissa Ludwig said. Without a doubt she was right. Ms. Geena said, "I am proud of the student leadership students." Grandparents said, "Grandparents lunch is great." Mrs. Shannon Holt of the PTO said, "It is great that we can have our grandparents come to bond and show us how to be respectable." They all made great statements, and Nannie Berry is proud to have such a great grandparents' lunch.
